Coaching Scheme:

During the year, 907 students were enrolled, 773 for Intermediate and 134 for the Final Course. Besides, 70

The Board continued to conduct Revisional Courses at Regional Centres for the benefit of candidates appearing for the Intermediate and Final Examinations. But the number of students attending these courses was not as large as was expected.

The suggested answers to questions set for the examinations of the Institute that are being published by the Board for the assistance of examinees were in greater demand during the year than in the previous year and in consequence their sale was doubled.

Students' Associations:

As mentioned in the last year's Report, Students' Associations have been organised in the different Regions. The control of the Students' Associations has recently been transferred from the Coaching Board to the Regional Councils concerned.

Journal:

With the June 1959 issue, the Journal has completed seven years of its life.

The late Shri S. Vaidyanath Aiyar continued to be the Editor till his death on 5th February 1959, and from the 6th February to 31st March 1959, Shri C. S. Sastri acted as the Editor. The Council has now constituted an Editorial Board with the President of the Institute as its Chairman and Editor of the Journal.

Employment for Members:

The Institute received a number of requests for suggesting suitable names for appointment to various posts in Government Organisations, as well as semi-Government and Private Organisations. Suitable names were recommended for these posts.

Library:

During the year under report, 627 books were added to the library bringing the total number of books to 3238.

The number of books in the libraries of the various Regional Councils as on 31st March 1959 was as under:—

Western India—1,023.
Southern India—397.
Eastern India—326.
Central India—525.

Buildings at Regional Head Quarters:

As already mentioned in the previous reports, the Government of India have sanctioned a non-recurring grant-in-aid not exceeding Rs. 5 lakhs for the construction and/or acquisition of buildings at Calcutta, Bombay and Madras.

The Council has purchased the building at No. 7, Russell Street, Calcutta for the Eastern India Regional Council. Steps are being taken to carry out necessary modifications and repairs to the building and to evict the existing tenants and it is expected that the office of the Eastern India Regional Council would be able to shift to the new building very soon.

Efforts are also being made to secure suitable sites for buildings at Bombay and Madras.

Post Graduate Course in Management Accountancy:

As was mentioned in the last Report, a delegation on behalf of the Institute, consisting of Shri S. P. Chopra, Shri S. N. Desai and Shri E. V. Srinivasan, visited the U.S.A. and Canada to study the subject of Management Accountancy. The tour was sponsored by the Ford Foundation. The Report of the delegation has been published.

The first examination in Management Accountancy has been fixed for being held in November 1959 at four centres, namely, Bombay, Calcutta, Madras and Delhi. Necessary details regarding practical training are being worked out.

A seminar on Management Accountancy is expected to be held in Delhi from 17th to 21st October 1959 at which members in practice, in industry and in Government service would be able to participate.

The duty of administering the Course is that of the Post Graduate Course Committee. The Council has also appointed a high powered Advisory Board consisting of experts in the field.

Research:

During the year, the Research Committee held two meetings in which certain important references from members as well as from the Company Law Administration were considered. The views of the Committee will be published in the Journal shortly.

As stated in the last Report, the Committee has instituted a scheme of awarding an annual prize, in the form of a shield of an approximate value of Rs. 750 to the best presented accounts for the year ending from the period commencing from 1st April 1958 to 31st March 1959. The last date for receipt of entries has been fixed as 31st December 1959. A Panel of judges to judge the best entry has been formed consisting of:—

Shri G. Basu, F.C.A., Calcutta—Chairman.

Dr. R. C. Cooper, F.C.A., Bombay.

Shri V. N. Raiji, F.C.A., Bombay.

Shri S. K. Bhattacharya, A.C.A., New Delhi and

Shri R. M. Bhandari, A.C.A., New Delhi.

Reviewing Committee:

The Government of India appointed a Committee in September 1958 to review the working of the Institute in order to assess to what extent the constitution and functions of the Council of the Institute as laid down in the Chartered Accountants Act and the Regulations framed thereunder had succeeded in achieving the objects underlying the Chartered Accountants Act with particular reference to the rapidly increasing role which the Chartered Accountants are being called upon to play in the economic activities of the country.

The Committee consisted of Shri G. Basu as the Chairman, Shri N. R. Mody, Shri C. S. Sastri, Shri S. P. Chopra, Shri S. Vaidyanath Aiyar, as Members and Shri C. P. Gupta as Member-Secretary.

The Committee collected information by issuing a circular and by visiting the Regional Headquarters of the Institute at Delhi, Bombay, Madras, Calcutta and Kanpur in order to ascertain the views of the members locally.

The Committee submitted its Report to the Government in November 1958. The Report was referred by Government to the Council for its views. The Council after a thorough discussion of the Report has accepted a large number of recommendations made by the Committee. The Report is now being considered by Government. In the meantime, action is already being taken to implement some of the recommendations made by the Reviewing Committee and accepted by the Council.

Chartered Accountants Act and Regulations:

The Chartered Accountants (Amendment) Act, 1959 came into force on 1st July 1959. The more important features of this Amending Act are:—

- (1) The Council has been given wider powers to deal finally with certain types of complaints or information against members. This would obviate the

necessity of every case having to be referred to the High Court and the consequent delay.

(2) Provision has been made giving powers to Government to make regulations under the Chartered Accountants Act. The Council strongly represented to Government that this would seriously affect the autonomy of the profession but the Government did not agree to drop this provision.

(3) All Members whether practising or non-practising, can now style themselves as Chartered Accountants.

(4) Members not in practice are now eligible to become Fellows of the Institute subject to their satisfying certain conditions to be prescribed under the Regulations.

At the time of preparation of the Report, amendments which would be necessary in the Regulations consequent on the coming into effect of the Amending Act have been notified for comments and the amendments are expected to be finalised shortly.

Cost and Works Accountants Act:

Almost simultaneously with the introduction of the Chartered Accountants (Amendment) Bill in the Parliament in 1958, the Government of India introduced the Cost and Works Accountants Bill with a view to set up a separate Institute of Cost and Works Accountants on the same lines as the Institute of Chartered Accountants of India.

The Council gave evidence before the Joint Committee of Parliament to which the Bill was referred for detailed consideration.

It was represented to the Committee on behalf of the Council that it was premature to introduce the Cost and Works Accountants Bill at this stage as that branch of accountancy had not developed sufficiently in India to justify the creation of a separate statutory body for the purpose and that, in any case, if Government was anxious to develop that branch, the task could be entrusted to the Institute of Chartered Accountants of India. If, however, the Parliament wanted to set up a separate statutory body for the specialised study of a particular subject, there may not be any objection to it by the profession. The objection of the profession was to the erroneous description of a branch of the accountancy profession as a distinct profession. It was emphasized that there was no "profession of Cost and Works Accountants" existing as such in the country.

The Joint Committee was also made aware of the fear in the minds of the members of the Institute that the Bill might restrict the fundamental right of many of them to practise the profession of Chartered Accountancy which in fact includes Cost Accountancy. The feeling was voiced several times previously also and on each occasion the Government assured the Institute that there was no intention on the part of Government to take away the work of Cost Accountancy from Chartered Accountants.

The Bill has now become Law and the Institute of Cost and Works Accountants has been set up. The Council, is, however, making every effort to see that the interests of the members of the Institute do not, in any way, suffer due to the creation of the Institute of Cost and Works Accountants.

Third Conference of Members:

It has already been mentioned in the last year's Report that the Third Conference of Members would be held at Bombay in December 1959. The dates fixed for the Conference are 24th, 25th, 26th and 27th December 1959. The

Council has appointed a Conference Committee to deal with the arrangements for the Conference, consisting of the elected as well as ex-officio members of the Western India Regional Council (i.e. the members of the Central Council from the Western India Region) with Shri C. C. Chokshi as the Chairman.

The subjects to be discussed at the conference are:—

Direct Taxes Administration Enquiry Committee:

The Direct Taxes Administration Enquiry Committee sent a questionnaire to the Institute and invited the views of the Members. Two memoranda were sent in reply to the Questionnaire. A deputation on behalf of the Institute led by the President also gave oral evidence before the Committee.

Thanks to the Government:

The Council would like to place on record its grateful thanks to the Government for the continued support and assistance to the Institute.
